SUMMARY

As a dynamic Operation Manager, I orchestrate success by expertly managing our talented team, fostering robust relationships with agents and direct students, and providing comprehensive support throughout the student journey—from initial inquiry to post-visa guidance. My mission is to carve out a distinguished career path that fully harnesses my exceptional interpersonal skills, relentless ambition, and innovative creativity. I am driven to generate transformative success for our firm, nurture the growth of our team members, and achieve personal excellence, all while steadfastly upholding the pillars of integrity and a tenacious work ethic. In this pivotal role, I aim to be the catalyst that propels our organization to new heights, creating a legacy of achievement and positive impact in the education sector.
